Cost: Suggested minimum donation of \$5.00

Kim is a busy mother of 5 wonderful kids, working full-time and taking care of her family's farm and animals. Her life was suddenly turned upside down when she was recently diagnosed with Acute Myeloid Leukemia. The past few weeks have been filled with multiple medical tests and hospital admissions. Kim is ready to start her

fight against her cancer diagnosis, but she needs all the support she can get to help her in this battle. She is currently starting weeks of inpatient chemotherapy followed by months of intensive outpatient chemotherapy at John's Hopkins Hospital.

Donations will help in covering medical expenses, travel costs to treatments, covering home expenses as Kim and Jordan require time away from work, and the help needed to manage the farm and animals.

Kim is strong in faith, courage, and determination. Please keep her and her family in your prayers. Your support is greatly appreciated in helping Kim, Jordan, and their family during this truly difficult time. O Lord our God, the Physician of our souls and bodies, look down upon Your servant Kim and cure her of all infirmities of the flesh, in the Name of our Lord and Savior Jesus Christ, with Whom You are blessed, together with Your Most Holy, Gracious, and Life-giving Spirit, always, now and ever and forever. Amen.
